

April 18, 2017

Dear Valued PFS Logistics Customer,

PFS Logistics would like to confirm that we are in compliance with all provisions of the FDA Food Safety Modernization Act (FSMA) and the Sanitary Food Transportation Act which became effective April 6, 2017. These new regulations include provisions on the following key elements ensuring safe transportation of food:

- Monitor conditions during transport to be consistent with the requirements outlined
- Provide clean equipment in good operating condition
- Maintain temperatures required for the safe transportation of food
- Conduct training of personnel in accordance with the proper sanitary practices
- Provide record retention for the storage of load information and temperature logs

PFS Logistics would like to thank you once again for your business. We are looking forward to providing you and your customers with dependable and reliable transportation services in the years to come. If you have any questions on this matter, please contact your Regional Sales Manager or [usLogisticsSales@pfs.com](mailto:usLogisticsSales@pfs.com).

Best Regards,

Marc A. Vendome
