**Preferred Freezer Services Opens Eighth Facility in Home State of New Jersey  
Newest facility expands company's large footprint in the Garden State**

**Chatham, New Jersey** (April 14, 2015) – Preferred Freezer Services (PFS) announces its newest facility in Woodbridge Township, New Jersey. PFS is a continually expanding global leader in the cold storage, warehousing, and logistics industry. PFS began with a single warehouse in New Jersey 25 years ago. The newest Woodbridge Township facility, the company's eighth cold storage facility in New Jersey and its thirty-fifth worldwide, represents PFS's sustained momentum and enduring commitment to being the best in temperature-controlled warehousing.

The freezer will occupy 142,889 square feet with a 29,715 square foot loading dock. The facility will add 8.4 million cubic feet of storage capacity and 26,000 pallet positions.

"We are proud to continue to invest and expand in our home state, in and around the New York/New Jersey port. Our building, refrigeration, and lighting are industry leading, maximizing efficiency," said John Galihier, Chief Executive Officer of Preferred Freezer Services.

The Woodbridge facility will start accepting product on Monday April 20<sup>th</sup>, 2015. An open house celebration will follow.
